All of the tables are set prior to the wedding with silverware, napkins etc. The table linens are included in the rental fee of the facility. Double clothing is extra. There are a large variety of colors to choose from. We order linens on the Monday before the event. Your decorating committee must do any table decorations such as centerpieces or candles on the tables after set up on the day of your event. If you are considering assigned seating, then it is up to you to put out all of the name cards and table numbers. You must also provide someone to let guests know where there assigned seat is. It is up to the wedding party or florist to otherwise decorate the facility for the wedding. (Bows, centerpieces, arch, cake canopy or walkways etc.)

We like to have all wedding parties have a rehearsal prior to the ceremony. There will be a White Horse Inn representative present at all rehearsals to help you coordinate your ceremony proceedings. Rehearsals are limited to a 1-hour time period, so please ensure that your wedding party arrives in a timely manner. There will be a \$50 fee for every 30 minutes beyond your allotted time. Due to the scheduling of multiple events on weekends, The White Horse Inn may not be able to accommodate your rehearsal the night before. We reserve the right to schedule rehearsals that do not conflict with other scheduled events at our facility.

Our on site ceremony efficient is Mr. Gary White, owner of this facility; He is a registered reverend with the state. His fee for a ceremony is \$150.00.

We cut and serve the wedding cake as part of our services. After the Bride and Groom have preformed their cake cutting ritual and have pictures taken, then we will cut and serve the remainder of the cake. We are not responsible for breakable cake top pieces; it is up to the wedding party or the family to handle a fragile cake topper. ***It is very important to have your Bakery or Cake person deliver a box for the top piece (bride and groom cake), so we can box it up for them to take home.***

Our guesthouse is available for rent. There are 2 bedrooms and one bathroom downstairs. Upstairs, there is a living room with a Queen hide-a-bed, dining room and kitchen. All of the linens, bath towels, etc. are provided for you. The price is \$150.00 per night. **A security/cleaning deposit of \$50.00 is due upon booking. We do allow children at our facility, however supervision is paramount. Parents need to monitor their children; they will not be allowed to run free and unattended. The Bride and Groom will be notified if there is a problem with children and steps will be taken to remedy the situation.

We have a sound system that allows us to play music for the wedding ceremony, which is included in the facility rental fee. We own a selection of wedding music for you to choose from. We can also play music on our sound system for dinner or for the duration of the event. (We are not a DJ service, sorry!) All dance music will be provided by a sound service. A Professional Sound Service is unlikely to play any music that is inappropriate for older guests and children. All music at the outdoor facility must cease at 11:00 p.m. At our inside facility the event may go longer.

A final count is due 10 days prior to your event. Payment is due 1 week prior to your event. Cash, check or the following credit cards may make all payments: Visa, MasterCard, or Discover.
